Requesting a Certain DJ

Requesting a specific DJ is an option. All of my DJ's are amazing and have years of experience. However I still get asked for a specific DJ to do a certain wedding. No problem you can request and we will do our best. However If you want to guarantee a certain DJ there is a fee of $200 unless you want Jamie (me) I am $400.

With your deposit, you are guaranteed the following DJ services:

- Your DJ will be **dressed in formal attire**
- The DJ will serve as the **Master of Ceremonies**, handling all announcements
- The DJ will **coordinate with your vendors and most importantly — you**
- The DJ will have a **wide variety of music**
- The DJ will **arrive around one hour before the scheduled start time** for setup
- **Unlimited consultations** with Jamie at the office, zoom, or phone
- The DJ will have a **wireless microphone** for any toasts or speeches

Photo Booth Services Include:

- **Unlimited photo prints** during your event
- A fun and festive **variety of props** for guests to use
- We provide **pens, markers, tape, and a photo album** for guests to place pictures and write messages
- The Photo Booth team will arrive approximately **one hour before** the scheduled start time for setup
- **Unlimited consultations** to help you plan and customize your photo booth experience

What We Ask of You:

- Please provide a **table** and a **120v power outlet** where you would like the DJ and/or Mirror Booth set up.
  (If a table is needed, just let us know — we're happy to help!)

- Ensure the following forms are **completed and returned approximately two weeks before the wedding:**

  - Wedding Reception Information Sheet
  - Photo Booth Layout Sheet
  - Any additional event details

Note: We'll do our best to accommodate any last-minute changes made within two weeks of the event, but we can't guarantee availability or implementation.

- **Full payment** is due **no later than two weeks before the event**.
  If you need to arrange a payment plan, just let us know — we're flexible!
  We accept: Check, Venmo, CashApp, Zelle, Money Order, and Cash
  You're welcome to make payments leading up to your wedding date, and we'll send you a receipt for each payment received.

- If your event is outdoors, we ask that there be sufficient shelter (e.g., a tent or roof). While we're happy to set up outdoors, we reserve the right to relocate or remove our equipment at any time if, in our judgment, it's at risk of getting wet or damaged.

We're happy to meet with you (in person, Zoom, or by phone) to review your information or assist with completing the forms.

If you have any questions, feel free to **call or email us anytime** — we're here to help!
